

## Visual Content Creator

**Location:** Berlin

Are you passionate about video and creating exciting audio-visual content? Are you an ambitious and results-driven visual communicator?

Eo Ipso Communications is looking for a talented and self-motivated individual to join our highly international team as a visual content creator, specialising in video production. This role is based in our Berlin office (full-time) and is a unique opportunity to play a key role in the development of Eo Ipso's new digital thought leadership team.

We are looking for a true professional, who will excel in a fast-paced environment.

### **Expectations and Tasks:**

- As a visual storyteller & content creator, your primary task is to create compelling digital content for all our channels, with a strong focus on video
- You are able to distil complex ideas into simple, but intellectually credible, arguments in a visually appealing way
- You are able to work on high-profile, international accounts, and provide world class execution in a timely manner
- You will be responsible for developing Eo Ipso's visual identity, as well as taking ownership of activities including content production, editing and execution
- You will develop and implement a clear strategy in order to scale our audio-visual content production

### **We're Looking For:**

- Successfully completed studies in a related field
- 1-2 years minimum experience in a similar role (with a focus on video)
- Passion for videography, content creation, strategy and social media
- Strong attention to detail and able to meet tight deadlines
- Working knowledge of Adobe Suite, video/audio editing software, social media tools
- Fluent in English (German & other European languages a bonus)

### **What we offer:**

- The chance to work with high-profile, global clients including blue-chip companies, leading trade associations and government agencies
- The chance to lead and own new projects, working in a creative environment where no day is the same
- An opportunity to develop your skills, advance your career and to grow with the company
- A dynamic and international team
